General No. 1934-9

Enclosure No. 7-line

His Letter No $\frac{893}{43}$ dated 29th May 1899, submitting four Statements A, B, C and D showing the income, establishment, kadita and other charges in the Sri Lakshmikarayana devaru temple at Shemoga and proposing a revision of the present scale of these charges.

From the Statement A referred to above, it is observed that the annual income from the inam lands belonging to the temple amounts on an average to about Rs 400. Out of this a sum of Rs 152 has to be set apart for payment of the peshi due to Government. The net income of the temple

thus comes to about Rs 250 a year. In view to bring the expenditure ~~of~~ within the means of the Institution, as also to provide for the repairs and other contingent charges it is necessary that the scale should be so revised as to include only such of the charges as are absolutely necessary for the due performance of the temple services. With this view a copy* has been prepared in this office of the Dy Comm's Statement marked C and in the Remark Col: thereof are recorded certain observations and the Dy Comm is requested to go ~~through~~ over them and favor the Govt with his opinion thereon.

*Herein enclosed

2 The bill for the arrears of pay due to the temple Servants is ~~also~~ here with returned, as also the other enclosures for re-submission together with the Treasury officer's certificate as to the exact account of Savings now available at the credit of the Institution.

for the January 1895 to
December 1898

Order thereon :-

The temple of Sri Lakshmi
Narayana Swami at Shimoga
which is now under Mysore
Management is endowed with
the Inam village of Kumsumakalli
in the Shimoga Taluk from which
the temple ~~has~~ had an annual income of about
Rs 400 ~~a year~~. The Dy Commr has
now submitted for the sanction
of Govt a Scale of establishment
and other charges in the temple
which amounts to Rs 365 a year.
All the items of expenditure contained
included in this scale are sanctioned,
except the ~~sanction~~ item of Rs 20 made provided
by the Dy Commr for the feeding of (Should the legal authority to levy such charge be not as this does not form a legitimate charge upon the temple funds)
Brahmins during the car festival
as such feeding should properly
be conducted by the devotees themselves
without any portion of the temple
funds being appropriated for this
purpose. The Dy Commr notes that

~~to the Dasara Deputies~~

the practice of feeding the Brahmins on occasions of the car festival is in ~~accord~~ accordance with the object of the founder of the temple. It may be so, but the object of the grant of the Inam village is quite different, it being the regular worship of the deity and the due maintenance of the temple building. Deducting therefore ~~the~~ the individual salary and this charge of Rs 20 N the scale now sanctioned amounts to Rs 345 a year as detailed in the accompanying Statement, thus leaving an annual saving of about Rs 50 out of the temple income which should be reserved for the repairs of the Jeeru and other similar charges.

The amounts required for expenditure as per ~~Scale~~ Sanctioned scale will

be drawn by the Dewildar once in every year ~~or~~ half-year as may be deemed necessary from the proceeds of the Inam lands of the temple held in the Treasury.

2. The bill for Rs 344 on account of the arrears of pay due to the temple servants is also sanctioned and forwarded to the Comptr for audit, the charge being met from the Savings of Rs 632-1-6 available at the credit of the temple as per Treasury officer's certificate engrossed on the bill.
